

Volunteer Driver Opportunities

What would you do?...

Imagine for a moment that the transportation you or someone you love relies on for everyday trips to the doctor, pharmacy, grocery store or other needs were no longer available. Who would you turn to for transportation? Although friends and family is a good option for many, it is not always convenient or possible.

YVEDDI Transportation volunteer drivers provide transportation in Davie, Stokes, Surry and Yadkin Counties to **veterans**, the **elderly**, **disabled** and **others with transportation challenges**. Our volunteer drivers provide transportation to our neighbors who are not able to drive, are disabled or do not have access to public transportation.

Volunteer today to make a difference in the lives of others by helping them maintain their independence.

Training and a YVEDDI company van will be provided.

Call today for more information regarding volunteer opportunities.
