YVEDDI Weatherization Assistance Program

The Department of Environmental Quality has designated funds to assist low-income families and individuals to have adequate heat in their homes and to reduce their utility costs by means of weatherization.

The Heating Appliance Repair/Replacement Program (HARRP) can repair or replace a heating system that is functioning below the manufacturer's standards.

Weatherization includes installing insulation, sealing air leaks, and performing measures that will reduce energy usage.

To meet the financial requirements for assistance, the gross house-hold income for the last 12 months cannot exceed 200% of the Federal Poverty Index.

To find out more information, call (336) 367-3535.

Do you have a child with disabilities?

IDEA - the Individuals with Disabilities Education Act (p. L. 102-119) was passed by Congress and requires that all states and territories provide a public school education to children with disabilities from ages 3 to 21, no matter how severe their disabilities.

This law promises to children with disabilities a "free appropriate public education" at public expense, that their educational placement is based on an evaluation of each child's own special needs and that an Individualized Education Program (IEP) is planned for your child and states the services they will receive. If you have a child with disabilities be sure they are receiving the special education they deserve.

If you need further information, please call the Head Start Office at (336) 367-4993 and we'll be glad to help.

INCLEMENT WEATHER

Please note that Head Start delays and closings due to inclement weather will follow their local school system unless otherwise contacted. *When Head Start is closed due to inclement weather all Head Start activities are cancelled including Parent Meetings, Policy Council meetings and workshops.*

Tonya Carpenter, Teacher at Surry, is ready for families to come make a headband and admire some artwork!

Parenting Tips for ADHD: Do's and Don'ts

- Decide ahead of time which behaviors are acceptable and which are not
- Define the rules, but allow some flexibility
- Manage aggression
- Create structure
- Break tasks into manageable pieces Simplify and organize your child's life Limit distractions

"Don'ts" for dealing with an ADHD child

- Don't sweat the small stuff
- Don't get overwhelmed and lash out
- Don't be negative
- Don't let your child or the disorder take control

Children from Jones 5 created a Food Pyramid!

Elvira Sanchez, Teacher Assistant at Boonville utilizes the Be Active Kids curriculum at a parent workshop.

FAMILY ENGAGEMENT

It is **important** for us at YVEDDI Head Start to create and promote an environment where parents and families are respected, valued and encouraged to become involved in their child's school experience. Our hope is that parents are truly partners and are involved in all aspects of the program and that parents are encouraged to participate in activities held at all of the centers.

Each Head Start Center has a Parent Committee that meets monthly for about an hour. This is an opportunity for parents of the center to get together and share ideas and concerns pertaining to their classroom and their community.

During Parent Committee meetings, we also provide trainings on topics that parents have suggested. These meetings are held the first two weeks of every month. Please check with your child's teacher for the specific times and dates. Your opinion and voice is very important and we hope to see you there.

We also provide opportunities for parents to develop leadership skills, as well as opportunities to advocate within the community. The Policy Council, which meets on a monthly basis, provides opportunities for parents to identify community needs and develop strategies to address those needs.

Parents from each centers' Parent Committees are elected to Policy Council and receive training to help them better understand their roles and responsibilities as members.

Policy Council is comprised of parents, staff and community partners. Parents are elected into the officer positions of Chair, Vice-Chair, Treasurer, and Secretary. It is this group's responsibility to oversee all components of the Head Start program including hiring of staff, program budgets, and program policies.

Parents are also encouraged to volunteer in the program. Volunteer opportunities include reading to children, helping teachers with activities and helping during meal time.

Christine Whitman, Jones 2 Teacher helps children develop their social-emotional skills.

Pictured above, Delia Martinez, a parent volunteer who helps at the Yadkinville classroom, almost on a daily basis. We are so blessed to have her. She is bilingual and an added bonus to our Head Start family. Delia is also a former Head Start parent and a former Parent of the Year!

Thanks to Deputy Diaz for providing parents with valuable information at our Yadkin County workshop.

Dear Parents,

We would like to remind you of a few upcoming events.

Your child's teacher will be contacting you to schedule a Home Visit. The purpose of the Home Visit is to review your child's progress and to set new school readiness goals if needed.

Also Parent meetings are held every month in the classroom and your attendance is vital to your child's education. If you are unsure of the date and time please contact your child's teachers for the details. We would like to thank you in advance for your participation!

Kindergarten screening dates are fast approaching, some start as early as March. If you have a child that will be entering Kindergarten please make sure to contact your local school system to schedule a screening day and time. We will also send out information as we receive it.

Thanks,
Tracey Speight, Education Coordinator

NCWorks Online is a one-stop online resource for job seekers and employers in North Carolina.

Job seekers can search for jobs, create resumes, and find education and training.

Visit the website today www.ncworks.gov or stop by one of the office locations listed below.

Regina Dewitt, Teacher at Yadkinville, plays ball at an interactive workshop. We would love for you to join us at our next event!

Marissa Williams, Teacher at the JK I classroom explores and decorates pumpkins just in time for fall

Make active play fun for the entire family!

Allow children to help choose and plan how the family will be physically active. Be sure to focus more on fun, not on performance or competition.

Make Moving a Priority!

Set aside time daily or throughout the week when the entire family can be physically active together. Try doing something before or after dinner or on weekends. Plan a weekly Family Fun Night that includes riding bikes, swimming, or dancing.

Moving on a Budget!

Plan activities that require little or no equipment like walking, jumping rope, playing tag, or dancing. Learn and explore parks, hiking trails, biking trails, swimming pools, tennis courts, and community centers in your area that can provide low-cost opportunities to be physically active.

Be Active inside and outside!

Spend time outdoors and be prepared for all weather conditions. There are a lot of activities your family can enjoy in the rain, mud and snow!

Get active with other families.

Meet up at playgrounds, the community pool, or a local trail. Host active birthday parties to help friends enjoy and benefit from being active as well.

Felicia Steele, Teacher at JK 2, walks the balance beam at the Davie County workshop.

Children at Jones 5 are making music using all kinds of creative objects.

Goal! Maria Hernandez, Teacher at Oak Grove, is floored by all of the athletic ability in the room!

Thank You to Friendly Dental for completing dental exams for our children! Children from London Head Start did a fantastic job!

Administrative and Family Advocate Staff participated in the Yadkinville Christmas parade on December 1st, 2018. Great job guys!

Gross Motor Activity

Snowball Toss

For the snowball toss activity you will need old paper and an empty bin or container. Have your child throw the balled up paper into the container. After they have enjoyed that activity then you can switch it up and have your child try to catch the snowballs with the container as you throw them.

Center Arrival Time

Head Start arrival time is from 8:00 AM – 8:30 A.M. and no child will be accepted after 8:30 A.M. for any reason other than a doctor's appointment.

Please bring a doctor's note to ensure proper documentation of absence. If after the doctor's appointment your child cannot arrive by 10:30, you will need to make other arrangements for the day.

If your child has an appointment, you will need to inform the teacher the day before or by 8:30 the morning of so that lunch can be ordered for your child.

Literacy Activity

This is such an easy low prep activity. Taped 2 sheets of paper together if your child's name is long. Then write their name with large letters and gave them some white circles made from paper or stickers. They will then use the paper or stickers to trace the shape of each letter.

Perfect Attendance

October 2018

Danbury:
