To Interested Persons

Yadkin Valley Economic Development District, Inc. (YVEDDI) is seeking the services of a consultant to complete a **Community Needs Assessment**. YVEDDI is a private non-profit serving Davie, Stokes, Surry, and Yadkin Counties in northwestern North Carolina. The agency has been incorporated for fifty-four years and provides advocacy and services to help the disadvantaged. You can learn more about YVEDDI by visiting our website www.yveddi.com.

The assessment should include the following:

- ✓ Demographic data related to young children, seniors, housing, transportation, domestic violence, health, and the job market
- ✓ Data is included by county, specific to poverty and its prevalence related to gender, age, and race/ethnicity
- ✓ Some of the data is derived directly from low income clientele and seniors via interviews and surveys regarding the needs in the community
- ✓ Includes information gathered from key sectors of the community i.e. faith-based organizations, private and public sector, and educational institutions
- ✓ Include key findings on the causes and conditions of poverty and the needs of the communities assessed

The YVEDDI Board and Staff will be available to assist with the project. This would include sending out surveys to our mailing lists, some of the data compilation, arranging meeting space, meals, etc. We must **complete the assessment no later than March 20th**.

Please send a proposal including your qualifications, references, a time line for completion, and a price for providing these services. We need to receive your **proposal no later than January 3, 2020**. You can email your proposal to me at kpayne@yveddi.com or mail at PO Box 309, Boonville, NC 27011.

Thank you for your interest in this project. I look forward to seeing your proposal.

Sincerely,

Kathy Payne
