HEAD START

Head Start prepares children to be "school ready" and promotes self-sufficiency within the family. Our program is unique because of the types of services we provide from dental care to parent involvement to mental health services. We operate from August to May serving children ages 3-5 in Davie, Surry, Stokes, and Yadkin Counties. Our hours are Monday – Friday from 8:00 am – 2:30 pm. For more information, please call (336) 367-4993.

NC Pre-K

Head Start partners with the state NC Pre-K program because we can meet the higher program standards and deliver more services to our families. This additional state funding helps us to extend our service year from 160 to 180 days, lower our class size from 20 to 18 children, and helps us to pay for licensed teachers.

MIGRANT HEAD START

Operates from June through October for children ages 6 weeks to 5 years. Provides comprehensive family support and child development services for children of Migrant Farm workers who have moved to Surry or Yadkin County within the last 24 months; and for seasonal families who no longer move but continue to work in agriculture as their main source of income.
