

What is YVEDDI?

...the nutshell version

We help...

Young children get a Head Start,

Victims of abuse get a new start,

Enhance employability and develop life skills
to earn a self-sustaining income,

Decrease energy usage by modifying homes
to keep people warm in the winter,

Dependable transportation – taking people
to school, work or medical appointments for
essential daily living,

Inspire senior wellness to prolong independ-
ence, and

in summary, we build stronger communities by
helping disadvantaged people become self-
sufficient.
