Congratulations to Susan Lawrence for earning SIX consecutive grades of 100 in the Mount Airy nutrition site!

Susan, we appreciate your hard work and dedication to the seniors of Surry County.

In late January the CSBG Team began guiding a workshop called "Gettin' Ahead in a Just Gettin' by World for teens - partnering with NETworX at the United Methodist Church in Yadkinville. The 9 teens are learning budgeting, the importance of saving money, how to inquire about funding for college or skill training, learning about resources available, and the rules of the social classes.

There have been two speakers for the group.

Thank you YVEDDI Domestic Violence/Sexual Assault Program and BB&T Bank representatives for your presentations.

The teens are participatory and, learning adult skills to be on their own once they graduate from high school.
