

NC Works NextGen

The Northwest Piedmont NextGen Youth Program serves youth ages 16-24 in Caswell, Davie, Forsyth, Rockingham, Stokes, Surry and Yadkin Counties in Northwest North Carolina. The focus of the Youth Program is helping youth overcome barriers that limit their ability to become productive members of society and in the workforce.

Youth who may be eligible to receive services must meet program eligibility requirements. Some factors that may be considered are low income, a documented disability, deficient in basic literacy skills, school dropout, homeless, runaway, foster child, pregnant or parenting youth, and youth with a criminal background.

The primary goal of the Youth Program is to provide a structure and sense of accomplishment in the lives of youth served by the program.

Services are provided in Davie, Stokes, Surry, and Yadkin Counties to 385 children and include nutritious meals and snacks and developmentally appropriate

activities. **Medical** and **Dental** services are provided (including payment, if needed, for healthcare, dental exams and follow-up). Parents have the opportunity to collaborate with teachers to develop their child's plans for learning, develop and revise program policies, participate in various committees, including the Policy Council. Children with special needs are at least 10 percent of our enrollment. Families must meet Federal income guidelines to qualify.

Head Start also partners with the **NC Pre-K program** in many of our classrooms. The additional funding allows Head Start to extend its operational days of service from 160 to 180 days, pay for higher qualified teachers, and reduce teacher/child ratios from 1:10 to 1:9 or class size from 20 to 18 children.
