

# Update

We will remain closed to the public through at least **May 31, 2021**.

We will continue to deliver home-delivered meals on **Tuesdays** and offer curbside pick-up on **Thursdays**.  
(for currently registered and currently active congregate participants)

We serve vulnerable people, and we believe it would be detrimental to open the centers and sites at this time.

We are sorry for any inconvenience.

***YVEDDI Senior Services***
