Dear YVEDDI Employee:

Open enrollment for YVEDDI benefits is happening now.
As a full time employee you will be eligible for the following benefits.

If you have already been enrolled there will not be a change unless you request a change.

If you have not been enrolled these benefits will be effective December 1, 2021, if you have been employed 90 days or more.

Please circle your answers below to enroll/decline the benefits.

You are enrolled in the YVEDDI retirement plan that YVEDDI contributes 5% of your wages to each pay period. It is up to you to decide if you would like to contribute to the retirement plan up to 10% of your wages.
