

# Let Us Serve You!

As we express our gratitude and honor all who served, we believe no Veteran should be without medical care because of the lack of transportation.

We now serve:

- All medical offices in Winston Salem
- Salisbury VAMC
- Kernersville VA Clinic

Veterans should call (336) 679-2071 option 3 to arrange for door-to-door service.

Veterans should let our call center representative know that they are a veteran.

All medical trips \$2 round trip
