Community Notice: Temporary Suspension of CSBG Program Services

Date: October 27, 2025
From: Yadkin Valley Economic Development District, Incorporated
Subject: Temporary Stop Work Order for CSBG-Funded Programs

Dear Community Members,

We regret to inform you that due to the ongoing **federal government shutdown**, the **Community Services Block Grant (CSBG) Program** has received a **stop work order** effective at close of business October 24, 2025.

This means that all CSBG-funded activities and services must be **temporarily suspended** until further notice. During this period, our agency will be unable to process new applications or provide CSBG-funded assistance.

We understand that this may cause inconvenience and uncertainty for many individuals and families who rely on these vital services. Please know that we are monitoring the situation closely and will resume normal operations as soon as federal funding is restored.

In the meantime, we encourage community members to reach out to the following local resources for assistance:

- **Davie County – A Storehouse for Jesus (336-753-8081)**
- **Stokes County – Stokes Partnership for Children (336-985-2676)**
- **Surry County – Tri-County Christian Ministries (336-526-1089)**
- **Yadkin County – Yadkin Christian Ministries (336-677-3080)**

We will provide updates as new information becomes available. Thank you for your patience and understanding during this time.

Sincerely,

Kathy Payne
Executive Director
